Michael Warwick

Dear Members of the Georgia Tech North Texas Club,
Thank you for the generous \$1000 scholarship
which I am the recipient. This award helps
to continue my education at the greatest
institution in the nation. The opportunity of
higher education is incredible, but the opportunity
for education at Tech is truly beyond compare.
At Georgia Tech I plan to major in Management
with a minor in Economics, after which I intend to go
to graduate school. Thank you again for your generosity,
service to the nation, and service to Tech.

Sincerely,
Michael Warwick

Dear North Texas Club Members,

I am writing to let you know that I have completed my first few weeks at Georgia Tech and I wanted to thank you for providing me an opportunity to achieve my dream of becoming an Electrical Engineer. With so many societies and organizations here on campus, I am staying really busy and having an amazing time!

I hope to keep in touch with you in the future. Should you want to reach me, my Georgia Tech email address is cdrewski3@mail.gatech.edu.

I sincerely appreciate the support the club has given me as I begin my college career.

Kind Regards,

Courtney Drewski
